KIULI

KIULI
Experience Travel Redefined

Graceful Plains. Invigorating Falls. This is *Zimbabwe.*

At Kiuli, we curate ultra-personalised journeys for those who demand more than just travel – they seek experience. Our approach is quiet, confident, and precise. This is not a brochure, it's your next chapter.

> *Kiuli transformed our travel experience into a journey of discovery and luxury. Every detail was meticulously crafted, making us feel like royalty.*
>

LOGO

Logo Mark

This circular logo mark captures the essence of abstract African design, featuring a complex interplay of organic, fluid lines. Through a purely abstract visual language.

Logo Type

The logo type uses contemporary sans-serif font with outlined characters.
The letters are evenly spaced, contributing to a balanced visual appearance. The horizontal scale between each letter is 135%
This minimalist design suggests a modern and straightforward brand identity.

KIULI

Favicon

The favicon is a secondary logo and visual identifier of the company around the web.
It can also be used in the inner pages of multi-page documents to maintain the brand throughout the entire design.
The scale and proportion of this are determined by the available space, aesthetics, function and visibility.

Logo Usage

Logo usage detailing for its consistent application across all media.
To maintain proper usage, clear space requirements, and minimum/maximum size specifications
To maintain brand integrity.

Exclusion zones
Always allow a minimum of 50px around the logo.

Maximum width
There is no maximum size defined for the logo.

Minimum width
The logo minimum width is 90px or 32mm.

Color Variations

Brand's flexibility in color application while maintaining its visual identity across different backgrounds.

TYPOGRAPHY

Typeface

Text Me One is a monoliner font that plays with the shapes of open counters and un-connecting lines.
Its unique design creates a distinctive and modern aesthetic with rounded terminals.
Its flavour is playful, with a hint of pop, and is ideal for large format lettering or continuous body text.

KIULI — Original form.
KIULI — Horizontal width scale 140.8%.
KIULI — Slanted 15.83deg.
KIULI — Height/Rad 9pt.
